

G G G C G G G G G A G G G G A

A 3D-rendered DNA sequence consisting of the letters G, G, G, C, G, G, G, G, A, G, G, G, G, A. The letters are rendered in a bold, sans-serif font and are arranged in a slightly curved line. Each letter is colored: G is yellow, C is blue, and A is green. The letters are positioned on a thin, multi-colored horizontal line that serves as a base. Below each letter, there is a shadow effect consisting of a semi-transparent, slightly offset version of the letter's color, creating a sense of depth and three-dimensionality. The background is plain white.
