

A A T T T A G G C G

The image displays a DNA sequence logo for the sequence A A T T T A G G C G. The letters are arranged horizontally and are color-coded: A is green, T is red, G is yellow, and C is blue. Below the letters are horizontal bars representing the relative frequency of each nucleotide at each position. The bars are color-coded to match the nucleotides they represent. The sequence is A A T T T A G G C G.
