

A T T T G C A T A A C A A A T G

The image displays a sequence of nucleotide bases: A, T, T, T, G, C, A, T, A, A, C, A, A, A, T, G. The letters are rendered in various colors (green, red, yellow, blue) and are arranged in two rows. The top row contains the main sequence, and the bottom row contains a secondary sequence of G, T, G, which is positioned below the first seven letters of the main sequence. Each letter has a shadow effect, giving it a 3D appearance.
