

G C T G A C T C A G C A

The image displays a DNA sequence logo for the sequence G C T G A C T C A G C A. The letters are arranged in a row, with the top row showing the sequence and the bottom row showing a smaller, multi-colored version of the same sequence. The colors of the letters are: G (yellow), C (blue), T (red), A (green), and G (yellow). The letters are arranged in a row, with the smaller letters positioned directly beneath the larger ones. The background is white.
