

A A A G A G A A G T G G

The image displays a sequence of 12 letters: A, A, A, G, A, G, A, A, G, T, G, G. Each letter is rendered in a bold, sans-serif font and is color-coded: 'A' is green, 'G' is yellow, and 'T' is red. Below the main sequence, a second row of letters is visible, which appears to be a reverse or complementary sequence: G, G, G, A, T, G, T, G, A, G, A, A. The letters in the second row are smaller and partially obscured by the letters above them. The background is plain white.
