

AAGTTC AAGTTC AAGTTC

The image displays a sequence of 12 DNA bases: AAGTTC AAGTTC AAGTTC. Each base is rendered in a large, bold, sans-serif font. The colors of the bases are: A (green), G (yellow), T (red), C (blue), A (green), T (red), G (yellow), T (red), G (yellow), C (blue), T (red), G (yellow). Below each base, there are colorful, semi-transparent reflections that create a 3D effect, suggesting the bases are floating above a surface. The reflections are color-coded to match the bases above them.
