

T G A C T C A C T T C C C T

A sequence of nucleotide bases (T, G, A, C) displayed in a colorful, stylized font. The bases are arranged in a single row, with each base having a shadow effect below it. The colors of the bases are: T (red), G (yellow), A (green), C (blue), T (red), C (blue), A (green), C (blue), T (red), T (red), C (blue), C (blue), C (blue), T (red). The shadow effect is created by multiple overlapping, semi-transparent versions of the base characters, offset slightly downwards and to the left, creating a 3D appearance.
