

cTccTccTcc

The image displays the text "cTccTccTcc" in a bold, sans-serif font. The lowercase 'c' and 'T' are blue, while the uppercase 'T' is red. Below the text, there are several colorful, stylized, overlapping shapes that resemble a DNA helix or a molecular structure. These shapes are arranged in a way that suggests a repeating pattern, with colors including red, yellow, green, and blue. The overall design is clean and modern, with a focus on the interplay of color and form.
