

A C A G G A A G C A T G A

A sequence of 11 nucleotide bases: A, C, A, G, G, A, A, G, C, A, T, G, A. Each letter is rendered in a specific color: A is green, C is blue, G is yellow, and T is red. The letters are arranged in a single horizontal line. Below each letter, there are horizontal lines and circular reflections in the same color as the letter above, creating a 3D effect. The background is white.
