

A A A A A T T C C C

The image displays a sequence of nine nucleotide bases: five Adenines (A), two Thymines (T), and three Cytosines (C). Each letter is rendered in a bold, sans-serif font. The Adenines are green, the Thymines are red, and the Cytosines are blue. Below each letter, there are colorful, horizontal brushstroke-like reflections in shades of red, orange, yellow, green, and blue, creating a vibrant, artistic effect against the white background.
