

CACCTTCCCTGGGCTTGGC

A horizontal sequence of 18 nucleotide bases: C, A, C, T, T, C, C, C, T, G, G, G, C, T, T, G, G, C. Each base is rendered in a large, bold, sans-serif font. The colors of the bases are: C (blue), A (green), C (blue), T (red), T (red), C (blue), C (blue), C (blue), T (red), G (yellow), G (yellow), G (yellow), C (blue), T (red), T (red), G (yellow), G (yellow), C (blue). Below the main sequence, there is a reflection effect consisting of smaller, semi-transparent versions of the same bases and colors, creating a 3D-like appearance.
