

G G C T G A C T C A G C A

The image displays a sequence of nucleotide bases in a stylized, multi-colored font. The top row consists of the letters G, G, C, T, G, A, C, T, C, A, G, C, A. The second row shows a secondary sequence of letters: G, G, T, G, G, G, G, G, G, G, G, G, G. Each letter is rendered in a different color: G is yellow, C is blue, T is red, and A is green. The letters are arranged in a slightly staggered, overlapping manner, giving the sequence a three-dimensional appearance. The background is white.
