

A C A T C C T G T T T T

The image displays a sequence of twelve nucleotide bases: A, C, A, T, C, C, T, G, T, T, T, T. Each letter is rendered in a different color and has a 3D effect with a shadow and a reflection below it. The colors are: A (green), C (blue), A (green), T (red), C (blue), C (blue), T (red), G (yellow), T (red), T (red), T (red), T (red). The letters are arranged in a single row, and each letter has a shadow and a reflection below it, giving the sequence a three-dimensional appearance.
