

C A T T A C A T C A T G

A sequence of twelve letters: C, A, T, T, A, C, A, T, C, A, T, G. Each letter is rendered in a bold, sans-serif font and is color-coded: C is blue, A is green, T is red, and G is yellow. The letters are arranged in a single horizontal line. Below each letter, there are several overlapping, semi-transparent circles in various colors (blue, green, red, yellow) that create a reflection effect, making the letters appear to be floating above a surface. The background is plain white.
