

G A A T T T C C C

The image displays a DNA sequence logo for the sequence G A A T T T C C C. The letters are rendered in a bold, sans-serif font. The first letter 'G' is yellow, the next two 'A's are green, the next three 'T's are red, and the final three 'C's are blue. Below the letters are horizontal bars of corresponding colors, and below those are circular arcs of corresponding colors, suggesting a double-stranded structure.
