

A T T T G C A T A A C A A A T G

The image displays a sequence of nucleotide bases: A, T, T, T, G, C, A, T, A, A, C, A, A, A, T, G. The letters are rendered in a bold, sans-serif font with a 3D effect, including a shadow. The colors are: A (green), T (red), G (yellow), and C (blue). A second sequence of bases, G, T, G, is overlaid below the main sequence, starting from the 9th position (A) and ending at the 11th position (C). These overlaid letters are also in the same color scheme and have their own shadows. The background is white.
