

CCTCCGGGAAA

The image displays a stylized DNA double helix structure. The top strand is composed of blue 'C' and red 'T' nucleotides, while the bottom strand is composed of yellow 'G' and green 'A' nucleotides. The sequence of the top strand is CCTCCGGGAAA, and the sequence of the bottom strand is GGAAACCTTT. The letters are large and colorful, with the top strand letters being larger than the bottom strand letters. The sequence is CCTCCGGGAAA.
