

A T G A G T A A G C T G

A sequence of ten nucleotide bases: A, T, G, A, G, T, A, A, G, C, T, G. Each base is rendered in a different color: A is green, T is red, G is yellow, and C is blue. Below each base is a reflection consisting of a thin horizontal line and a semi-transparent, inverted version of the base's color and shape.
