

A T T T G C A T A A C A A A T G

The image displays a sequence of 16 letters: A, T, T, T, G, C, A, T, A, A, C, A, A, A, T, G. Each letter is rendered in a bold, sans-serif font and is color-coded: A is green, T is red, G is yellow, and C is blue. Below the main sequence, a second row of letters is visible, which appears to be a reverse or complementary sequence: G, T, G, A, A, A, A, A, A, G. These letters are also color-coded: G is yellow, T is red, and A is green. The letters are arranged in a slightly staggered, overlapping manner, giving the impression of a DNA double helix or a sequence alignment. The background is plain white.
